VE510 15" LCD Display

Attractive Styling in a Super-slim LCD of Choice

Built with simplicity in mind, the ViewSonic VE510 15.0" LCD display has uncomplicated slim-bezel lines and an easy-styling design that catches your vision everywhere. The sRGB color management ensures color accuracy from screen to print. Its compact base folds up 90 degrees for easy wall mounting and the AutoTune™ function automatically optimizes screen images and the OSD power lock function prevents accidental changes to optimized screen settings. VE510 not only enhances the viewing enjoyment with the quality you have come to expect from ViewSonic, but also is a representative for the youthful style.
